ELIZABETH TINSLEY PARK

Monday July 4, 2011
4-10 P.M.

BUD LIGHT ZONE

The Bud Light Zone will offer a prime view of the seventh annual men and women's Bud Light Texas Volleyball Championship Series Finals. The Bud Light Beer Garden will feature a variety of beers, entertainment by Isa Perez and DJ Kracker Nutz and autograph signing by the Houston Texans cheerleaders. For an interactive break, visit the Kick-out Bud Light MTT vehicle, a truck which will offer a seated dining area with three plasma TV screens equipped with an Xbox 360™ system, Satellite Dish, sound system and Gator Hero™. Party in the clouds for a taste of high-flying excitement with Select 55 from Buick's new Right 55 and an balloon and experience the panoramic view of the downtown skyline.

LAND ROVER

Your adventure awaits! Sponsored by the Houston Area Land Rover Centres, get a glimpse of the most amazing generation of Land Rover vehicles. Festival goers will experience the extraordinary line of 2011 vehicles, including the 7-seater Range Rover, Range Rover Sport and Range Rover. Stop by the Land Rover displays, in front of the 99 area, or for more information on the Land Rover lineup visit Houston.LandRover.com.

RELIANT ENERGY RED, WHITE AND GREEN SCENE

Reliant Energy has teamed up with Freedom Over Texas to provide Houstonians with a fantastic Red, White and Green Scene. Learn about sustainable and renewable energy technologies through fun, educational and environmental exhibits that show how easy it is to go "green". Sustainable exhibits include green building displays, solar and wind power demos, sustainable transportation infrastructure, recycling education, rain water harvesting demos and more. This year's event will triple its recycling efforts, providing conveniently located and identifiable receptacles to collect plastic and aluminum cans and bottles, encouraging all patrons to recycle what they use at the event. And, new to the event, Houston's top chefs from Haven, T-Talia and Ruggies Green will be providing chef demos, highlighting delicious 4th of July creations using local produce and meat. Go green for the fourth!

FAMILY FITNESS CHALLENGE AREA

Shout hoops, throw a fastball, take a slap shot, kick a goal and hang with the Houston Texans cheerleaders for an exciting and "get fit" time at the Family Fitness Challenge Area. Everyone can be a star athlete by participating in interactive activities provided by all five Houston professional sports teams (including the Astros, Astros, Oilers, Rockets and Texans). Soccer fans can practice their corner kick, Steve Scalet, and dynamic sports and activity arena used by professional sports clubs.

KBR LIBERTY PARK - "KRBLS OF FREEDOM"

Let freedom ring and extend your hand to military heroes at KBR Liberty Park. On display will be military artifacts and vehicles along with representation from all five military branches. Get a firsthand look at the support services that KBR provides our military armed forces stationed in Iraq and Afghanistan. Meet veterans from the National Squigmen, a group who supports all patriotic areas in Masonry. In addition, they will present "Build A Flag" to educate attendees about the evolution of the flag. The Military Museum of Texas and the Museum of Printing History will exhibit documentation and historical items that have shaped our nation's history. Interested in a new career? Visit with recruiters on site from the FBI, WPA, Army Music as Top New Male Vocalist Award in addition to five other nominations. His current album, It's America, is an ode to his pursuit of the American dream.

SPECIAL THANKS: HOUSTON CHRONICLE, KILT, METRO, BIRLAGES, etc.
